### Classifications

A panel of Northeast Ohio players have reviewed and discussed the list of 300+ players in our area to determine how they should be classified. For those of you who currently play (or have played in the past) in the Cleveland Cornhole league on Monday nights, you were classified based on the division you participated in (for the most part). If you are NOT listed, please contact Dave Weiser to discuss which division you should be placed in. Note that Division V is for Social players.

Please know that the goal of classifying players is to give players a chance to compete in a tournament by playing against players of similar skill level. We understand that players could be classified incorrectly and if that is the case, then those players can be moved up (or down) based on how they perform at this event. All I can say is many hours were spent on doing our best to put players where we felt they should be. Some players are very much "on the bubble" and could have easily been moved up or down, but we have to start somewhere... **NOTE THAT PLAYERS CAN ALWAYS PLAY HIGHER THAN THEIR LISTED CLASSIFICATION IF THEY WISH!!**

To see a list of all 300+ classified players you can go to <http://www.clevelandcornhole.com/2015-player-classifications/>  
And enter **BAGS4BABIES** as the password.

For Doubles both players must be of the classification the team entered or lower. For example, a Team that consists of a Division I player and a Division II player must play in Division I doubles or higher.

**IMPORTANT** – If you feel you are not classified correctly OR you are not on the list, but would like to attend this event, please contact me so that we can discuss. I would prefer not to have someone show up to this event who is not on the list without talking to them first and hopefully meeting with them to see how good of a player they might be so that we can make an educated decision as to where they should be classified. If you are listed and do not want to be listed, please let me know and I will remove you.
