### Divisions

- ACL defines the different bagger levels in the link above.
- ACL "Bagger" levels are chosen by the player to begin with, although your local director has the ability to move you up (or down) should they choose to do so.
- For NE Ohio players I recommend the following chart to help you with where you should go. Of course this is how it's being done In NE Ohio, directors in other areas may not do it the same.

Cleveland Cornhole Rating	ACL Bagger Level	ACL Division
Elite	Premier	Advanced
Premier	Premier	Advanced
Division 1	4-Bagger	Competitive
Division 2	3-Bagger	Competitive
Division 3	2-Bagger	Social
Division 4	2-Bagger	Social
Division 5	1-Bagger	Backyard or Social
Division 6	1-Bagger	Backyard or Social

Not sure where you are in the Cleveland Cornhole Ratings? Contact Dave to find out and discuss.

- Players may play in more than one Monthly Regional Event in a Month, but only their top score will count as their Regional Score for that month. Scores are based on individual tournaments and not the combined event.  
\*\*Players may play across divisions at this event as well. For instance the times are set-up so that a player can play Competitive Doubles and Singles and then play Advanced Doubles and Singles if they wish
- ACL Standings will take the Top 5 Singles scores to apply to Singles Rankings and Top 5 Singles plus Top 5 Doubles for Total Points Rankings. Points table for Regional Tournaments:

Finish	Advanced	Competitive	Social
1st	100	85	70
2nd	99	84	69
3rd	98	83	68
4th	97	82	67
5th-6th	96	81	66
7th-8th	95	80	65
9th-12th	94	79	64
13th-16th	93	78	63
17th-24th	92	76	62
25th-32nd	90	74	60
33rd-48th	88	72	58
49th-64th	86	70	56

- If a player dominates a lower division the director will move them up for all future ACL events. If a player does not dominate, but consistently finishes in the top 3 in a division over many regional events, then they may also be moved up for future ACL events.
