Pro/Advanced/Intermediate/Social Doubles Rules

Pro Division – No 2 Premier Level Players on a Team

Advanced Division – No Premier Level Players, a D1 level player can play with a D3 or lower player or two D2 level players can play together

Intermediate Division – No D1 Level Players, a D2 level player can play with a D4 or lower player or two D3 level players can play together

Social Division – No D3 or higher level players

4-Player Team Rules

For the 4 player team event each team has a “salary cap” of 10 points to spend on four players. Point values are as follows (player ratings can be found at <http://www.clevelandcornhole.com/player-classifications/>)

Premier – 4

Division I – 3

Division II – 2

Division III and lower – 1

The only other restriction is no more than one premier player on a team. So a “typical” team would have one premier, one D1, one D2 and one D3 player, but there is some flexibility if you want a different combo.

Games are played with 2 players on each end and they alternate pitching their teams bags. So if a player pitches the first bag for their team, then they also pitch the 3rd bag. The order you pitch your bags must remain the same throughout the game.

Please do not bring outside food or drink to this event. Food and drink will be for sale at the gym. Thank you St. Michael’s for hosting our Fundraiser!
