## **More ACL Information**

For full details on the ACL 2020-2021 Season go to <http://www.iplaycornhole.com>

- Players may play in more than one ACL Monthly Regional Event in a Month, but only their top score will count as their ACL Regional Score for that month. Scores are based on individual tournaments and not the combined event.  
\*\*Players may play across divisions at this event as well. For instance the times are set-up so that a player can play Competitive Doubles and Singles and then play Advanced Doubles and Singles if they wish and are permitted to do so.
- ACL Standings will take the Top 5 Singles scores plus Top 5 Doubles scores (doubles or blind draw) to be used for Total Points Rankings. Points table for Regional Tournaments:
- If a player dominates a lower division the director will move them up for all future ACL events. If a player does not dominate, but consistently finishes in the top 2-3 in a division over many regional events, then they may also be moved up for future ACL events.

### **New Player?**

In almost all cases, new players will want to start in either the "Intermediate" or "Novice" Divisions. If you are a new player and come and play social and do really well, then you can move up at the next monthly event. Or if you really want to see how good the players are, come at 9:15am for Competitive doubles and see how it goes. If you hold your own, then Competitive is the place for you to be. If you struggle, then try playing Intermediate doubles at 10:45am. Or come for Intermediate at 10:45am and if it doesn't go well give the Novice Division a shot at 1pm.

### **Changes from Last Year**

- o Advanced prizes increased to 75%
- o All registration must be done via the ACL app. NO CASH WALK-UP REGISTRATION!
- o Intermediate entry fees increased from \$10 to \$15 per tournament so that all entries are the same
- o ACL Memberships now come at 3 levels (\$5, \$30 or \$100). Purchase at the ACL website
- o Competitive level players can no longer guarantee a spot in Advanced Blind Draw or Advanced Doubles. Competitive may or may NOT be done in time to play in these tournaments
