

How To Register for an ACL Cleveland Regional and/or Purchase an ACL Membership

Step 1 – Go to <https://app.iplayacl.com/login>

Make sure the version is 7.10 (or higher, if it's not, refresh your browser until it is)

The screenshot shows the ACL login page. At the top is the ACL logo, which consists of a red silhouette of a person jumping over a cornhole board with the letters 'ACL' in white on a red background. Below the logo is the text 'American Cornhole League'. There are two input fields: 'Email Address *' and 'Password *'. Below these fields is a grey 'LOGIN' button. At the bottom of the form are two links: 'JOIN ACL' and 'FORGOT PASSWORD'. At the very bottom of the page, the text 'Version 7.10' is circled in red.

Step 2 – Login to your ACL account

Note – if you're not sure if you have an account, email ClevelandCornhole@att.net and I will check for you. If you already have an account do NOT create a new one or you will be in the system twice. If you've played in Cleveland Cornhole tournaments before you LIKELY have an ACL account already!

Once you login in, MANY of you will see this message below. This only shows the first time you login this season and it's asking you to choose a Regional Director to be assigned to. This is addressed in Step 3 below.

The screenshot shows a system message box with a white background and a thin grey border. The text inside reads: 'app.iplayacl.com says' followed by 'Please Select Your Regional or Conference Director on the Account Page'. In the bottom right corner of the box is a blue button with the text 'OK' in white.

Step 2 – Once logged In

***Note – for doubles one player pays for the team and must choose their partner when registering, their partner will have to pay them back.**

***Also note for Regionals if you play in Competitive Doubles I can no longer guarantee you will be done in time for the Advanced Blind Draw. Also If you play Competitive Singles I can no longer guarantee you will be done in time for Advanced Doubles. So do NOT sign-up for both. If you are eliminated from Competitive before Advanced starts, you can register via the app at that time.**

You cannot sign-up for multiple skill levels at the same time anyway. If you want to sign-up for say Competitive Doubles and Advanced Singles in advance, you will have to sign-up for one of them, go out and come back in to sign-up for the other one.
